

ATTENTION PARENTS/GUARDIANS OF STUDENTS AGES 12 AND OVER:

REGISTRATION FOR OUR MUNICIPAL COVID-19 VACCINATION CLINIC IS NOW OPEN!

Parents/grandparents of students are also welcome to register for the clinic.

Below are the links to register for our Burrillville Vaccine Clinics for residents ages 12 – 15. Our first clinic will be held on Saturday, **May 22nd in the Burrillville Middle School Gymnasium.** The follow up clinic for the 2nd vaccine dose will take place on Saturday, **June 12th in the Burrillville Middle School Gymnasium.** Parents are also eligible to register for the vaccine. Both clinics will run from 10:00 AM – 2:00 PM.

Please note: Parental Consent is required for students ages 12-15.

Please review the information below prior to registering for the vaccine.

- All registrants will be receiving the Pfizer vaccine.
- Do not confuse the two links as an either/or situation. The first link – for Saturday, 5/22/21, is for the FIRST dose. The second link, for Saturday, 6/12/21, is for the SECOND dose.
- Registration, especially for the first clinic, should be done as soon as possible.
- **Be sure to register for both doses. You should register for the first dose, close the browser and then follow the other link to register for your second dose.**
- During registration, there is a page about insurance information – you need to enter the type of insurance that you have (private, Medicare, etc.). You do not need to enter any insurance details.
- You do not need to bring anything with you to the clinic other than photo identification, if available.
- Our clinic physician, Dr. John Lawrence, has asked me to pass along this serious request – we know that the students are very busy and may come directly from other activities for the vaccine, however, ***it is imperative that you are well hydrated and have something in your stomach prior to getting the vaccine.*** Please take the time to eat and drink something before arrival!
- Vaccine supplies are limited; please do not double book or make multiple appointments. **Registration is only for Burrillville Residents.**
- If you have any questions, you can reach out to Lisa Rabideau at lrabideau@burrillville.org or 401-568-9494, ext. 1
