

## **POLICY RELATED TO SUPPORT OPERATIONS**

### **EMERGENCY PERSONNEL**

The Burrillville School Department shall ensure that emergency personnel are in place for events that have the potential for large numbers of attendees or that suggest the potential for disruption.

The Burrillville School Department shall provide emergency personnel as required for athletic events by the Rhode Island Interscholastic League.

Sponsors of school-based events conducted on school property shall be required to provide police and/or fire personnel at the discretion of the Building Principal, the Athletic Director, or the Rink Director.

In the case of very large events or multiple simultaneous events that result in increased traffic and/or parking issues, sponsors shall be required to provide police and/or fire personnel at the discretion of the Building Principal, the Athletic Director, or the Rink Director.

When there is a question about the extent of coverage, the decision shall be made by the appropriate civil authority.
